Taxable amount		\$8,084.50
Sales tax (enter % in C; 0 if not taxed in your state)	0.0%	-
Total		\$8,084.50
Deposit due at signing (enter % in C)	50.0%	\$4,042.25

Notes

Prices include materials, labor, and cleanup unless a line says otherwise.

Quote valid for the number of days shown above. Footage is measured on site; final invoice reflects installed footage.

This template is a worksheet, not a contract. Use your own signed agreement for acceptance, payment terms, and warranty language.

How to use

1. Edit yellow cells only. Everything in column E and the totals recalculate.
2. Qty x Unit rate = Line total. Blank qty or rate counts as zero.
3. Discount and tax are percentages stored as decimals (5% = 0.05).
4. Add rows by copying a line-item row and pasting it above the blank rows; the SUM range covers the whole block.
5. Rates shown are made-up examples. Put your own numbers in.
